Reporting to the Shipwright Lead, the candidate's time will be primarily spent on the shop floor. Our workshop is in a covered, heated building. Typical business hours are 7:00am – 3:30pm Monday to Friday. Travel may be required from time to time.

Company Description:

Platinum Marine is the largest full service yacht refit and repair facility in Western Canada servicing boats over 60'. The shipyard and head office is located on Mitchell Island, Richmond (a suburb of Vancouver). With over 80 employees the company focuses on large refit and transformational projects. At any given time, Platinum has multiple large size projects on the go. Customers come primarily from Canada and the USA but the company is known globally and the clientele reflect this.

Platinum's management and professional staff are vastly experienced. Our workforce is highly trained and diverse. Top management include people from Canada, the USA, New Zealand, Australia, Turkey, and England. Positions include naval architects, designers, shipwrights, engineers and specialized journeymen.

Our corporate culture values innovation, efficiency, and forward thinking. We support our employees' passion for boat building with best practices so that we have highly trained, motivated employees who feel they are an important part of the end product.

Platinum Marine's sister companies include [Crescent Yachts](#) , [CCYMarine](#), [Milltown Marine Services](#), [WrapBoats.ca](#), [Tactical Custom Boats](#)
