### **Qualifications:**

The candidate will have excellent organizational, communication, problem-solving, influencing and time management skills. Must have experience in propulsion, steering, hydraulic, fuel, piping systems and plumbing.

### **Education/Training:**

- Certification in marine engineering or equivalent experience including on board experience with shipyard periods
- Proficient in Microsoft Office applications such as Outlook, Word, Excel

### **Benefits:**

As a Company we offer a number of benefits which include the following:

- Health benefits which includes extended medical, dental, life and AD&D.
- Employer funded Employee and Family Assistance Program, which is available to employees upon first day of employment.

**Working Conditions:**

Reporting to the System or Project Manager, the candidate's time will be primarily spent on the shop floor. Our workshop is in a covered, heated building. Typical business hours are 7:00am – 3:30pm Monday to Friday. Travel may be required from time to time.

**Company Description:**

Platinum Marine is the largest full service yacht refit and repair facility in Western Canada servicing boats over 60'. The shipyard and head office is located on Mitchell Island, Richmond (a suburb of Vancouver). With over 80 employees the company focuses on large refit and transformational projects. At any given time, Platinum has multiple large size projects on the go. Customers come primarily from Canada and the USA but the company is known globally and the clientele reflect this.

Platinum's management and professional staff are vastly experienced. Our workforce is highly trained and diverse. Top management include people from Canada, the USA, Australia, Turkey, and England. Positions include naval architects, designers, shipwrights, engineers and specialized journeymen.

Our corporate culture values innovation, efficiency, and forward thinking. We support our employees' passion for boat building with best practices so that we have highly trained, motivated employees who feel they are an important part of the end product.

If this position meets your skills, experience and personal attributes and you are ready for an exciting career working with luxury yachts, then we want to hear from you! Please apply by submitting your resume. Applicants must be legally entitled to work in Canada.

Platinum Marine's sister companies include [Crescent Yachts](#) , [CCYMarine](#), [Milltown Marine Services](#), [WrapBoats.ca](#), [Tactical Custom Boats](#)
