**Company Description:**

Platinum Marine is the largest full service yacht refit and repair facility in Western Canada servicing boats over 20 meters. The shipyard and head office is located on Mitchell Island in Richmond (a suburb of Vancouver). With over 80 employees the company focuses on large refit and transformational projects. At any given time, Platinum has multiple large size projects on the go. Customers come primarily from Canada and USA but the company is known globally and the clientele reflect this.

Platinum's management team and professional staff are vastly experienced. Our workforce is highly trained and diverse. Upper management include people from Canada, USA, Australia, Turkey, and England. Positions include naval architects, designers, shipwrights, engineers, and specialized journeymen.

Our corporate culture values innovation, efficiency, and forward thinking. We support our employees' passion for boat building with best practices so that we have highly trained, motivated employees who feel they are an important part of the end product.

Platinum Marine's sister companies include [Crescent Custom Yachts](#), [CCYMarine](#), [Milltown Marine Services](#), [WrapBoats](#), and [Tactical Custom Boats](#).

If you feel this position meets your skills, experience, personal attributes, and you are ready for an exciting career working with luxury yachts, then we want to hear from you! Please apply by submitting your resume to [hr@platinummarine.ca](mailto:hr@platinummarine.ca). Applicants must be legally entitled to work in Canada.

We appreciate the interest of all applicants, however, only those selected for an interview will be contacted.
